

The Healthy Business Bookmark™

Your business needs to stay healthy, too! That's why **every** Chambers Plan includes Business Assistance Service (BAS) support and management tools. And now it's better than ever with the **new Healthy Business Bookmark** (HBB)!

Want to learn how to handle tricky HR situations? Not sure how legislation impacts your obligations as an employer? Looking for an easy way to get professional advice?

Now, with HBB added to your BAS, you get more valuable support than ever before!

- A new, robust online library of carefully curated HR resources, including podcasts, guides, articles, sample forms and checklists.

- Unlimited HR guidance by phone, to help you deal with the many common personnel issues.
- 9 hours of additional management support for any mixture of legal, financial and more complex HR issues.
- A counselling service, where you can refer employees who are dealing with personal challenges that may be affecting their performance or absenteeism (3 hours).

Chambers Plan is proud to partner with Arete® HR Inc., a leading Canadian expert in business and employee assistance plans. Chambers Plan is here to help your employees and your business thrive. Contact your local advisor for more information.
