

## Supplemental Drug Programs

### innovicares

The innoviCares card is a FREE prescription savings card for Canadians funded by pharmaceutical manufacturers. By presenting your card at your pharmacy and asking for the brand name medication it will automatically cover a portion of the cost of the original brand. The card also coordinates with existing insurance plans or can be used on its own.

Common prescriptions covered: Coversyl, Losec, Nexium, Singulair, Zomig, Prozac

Download your FREE card here: <https://innovicares.ca/en>

### RxHelp ONE

RxHelp.ca card is a brand-name medicine prescription savings card eligible for Canadians to use at participating pharmacies in Canada. To use the card you must have a valid prescription from your physician. Present your RxHelp.ca card when purchasing your eligible brand-name prescription at a participating pharmacy in Canada and you will receive your savings immediately.

Common prescriptions covered: Alesse, Diclectin, Lipitor, Xalatan

Get your FREE card here: <https://www.rxhelp.ca/RxHelpOne>

### AbbVie Care

AbbVie Care is a FREE patient support program for those on Humira, Holkira Pak, Duodopa, Venclexta, & Maviret. AbbVie Cares offers patient support and reimbursement services to clients who sign up and have valid prescriptions for the above-mentioned drugs.

To learn more or sign up go to: <https://www.abbviecare.ca>

### Alberta Non-Group

Non-Group coverage is a drug card for Albertans that covers pre-existing medications without having to qualify medically. The cost is \$63.50/month if you are single and \$118.00/month if you are a family. The drug card comes with an unlimited maximum and it covers 70% on most medications to a maximum co-pay of \$25.00 / prescription.

Other than prescription drugs, the program also covers diabetic supplies and ambulance services. Alberta Blue Cross administers this program on behalf of Alberta Health Services,

To find out if your drug is covered under the plan search it here: [https://www.ab.bluecross.ca/dbl/idbl\\_main1.html](https://www.ab.bluecross.ca/dbl/idbl_main1.html)
